Dear Parents,

As members of this parish community, we feel that we can be partners with parents in giving children information so they can tell someone if they are harmed or in danger of being harmed and can assist in their own self-protection. Together we minimize the risk of all child abuse, especially child sexual abuse. As part of the Church's commitment to keep children safe, we are planning our Safe Environment classes once again this year

A program of 1 hour long will be held during your child's class time as follows:

Grade K-8 Week of October 21-24, 2018

Grade 9 will attend this class during their session on morality.

All parents are welcome to attend. **IF your child is not attending this class, please do not bring him/her to class that day.**

Should you have any questions, please call Teri at the parish office at 239-283-0525.
