# Saint Katharine Drexel Parish – Lent 2024

## The Basics of LENT

Lent is the annual preparation for Easter observance calling us to reform our lives and to open our hearts to the spiritual blessings God has promised to bestow on us. Lent begins Ash Wednesday and ends on Holy Thursday evening when the Triduum begins.

### What Must I Do?

According to the Church's Canon Law, all healthy Catholics from age 18 to 59 are required to fast and abstain from meat on Ash Wednesday and Good Friday, and to abstain from meat on all other Fridays of Lent. Youth 14 and older are also to abstain from meat on those days. "Fasting" means that no more than one main meal is eaten daily, while in the same day no more than two partial meals are eaten which together don't equal the one main meal.

### What Should I Do?

Take the necessary steps to get yourself on the road to conversion and spiritual renewal. To help you do this, the three main Lenten disciplines urged are prayer, fasting and almsgiving. We are invited during Lent to practice these disciplines often. But these aren't just chores we must do because the Church strongly urges them; they are above all opportunities to grow in faith and in love for God.

### Why Prayer, Fasting and Alms?

The Lenten basic practices of prayer, fasting and almsgiving are rooted in Jesus' original guidance about how to be his disciples that we find in the Sermon on the Mount (Matthew 5-7). The Catechism of the Catholic Church (#1966-1972) also reminds us that Jesus here outlines for us the new law which, if we embrace and implement it, will lead us more surely to the interior renewal and growth in holiness and perfection that Jesus expects of us as his disciples.

### Should I Set Lenten Goals?

Absolutely! Reflect prayerfully about your Lenten resolutions before making them. Then make yourself a list. But be modest. You may be setting yourself up for disappointment if you set unrealistic goals. And doing a little with love and devotion is spiritually more beneficial than trying to do much but doing it halfheartedly.

## Regulations for Fasting and Abstinence

Ash Wednesday and Good Friday are days of fast and abstinence. Fridays of Lent are also days of abstinence.

Fasting is to be observed by all 18 years of age and older who have not yet celebrated their 59th birthday. On a fast day one full meal is allowed. Two other meals, sufficient to maintain strength, may be taken according to each one's needs, but together they should not equal another full meal. Eating between meals is not permitted, but liquids, including milk and juices, are allowed.

Abstinence is observed by all 14 years of age and older. On days of abstinence no meat is allowed. Note that when health or ability to work would be seriously affected, the law does not oblige. When in doubt concerning fasting and abstinence, the parish priest should be consulted.

Fasting, almsgiving, and prayer are all three traditional disciplines of Lent. The Faithful, the Elect and those Candidates preparing for Reception into Full Communion in the Catholic Church should undertake these practices seriously in a spirit of penance and of preparation for baptism or of renewal of baptism at Easter.

### More About the Three Basic Lenten Disciplines

**FASTING:** Expresses our desire to find happiness in God rather than in the satisfaction of our physical needs. The control we gain over our appetites helps us recognize more deeply that all true and lasting pleasure comes from God. Knowing this we are free to gratefully accept food and savor it, or to avoid or limit foods that we know are unhealthy for us. Through fasting, our relationship to ourselves is reoriented toward God.

**ALMSGIVING:** Provides assistance to the poor among us and helps us recognize God as the true source of our security. Property and wealth exercise less control over us when we give away or share our wealth out of love for God and for others. Almsgiving is a way of bringing our relationship to others into the orbit of Christ’s love.

**PRAYER:** Changes our relationship to God. Through prayer, we admit our need for a power that is greater than ourselves. We acknowledge our limitations and let go of the drive to control everything. In the process, we open ourselves to all that God has to offer us.

## Music in the Mass

### #17: "Sacred Silence... Another way to pray."

*Have you ever been to Barbara B. Mann or Broadway Palms for a show or do you like going to the movies? When I lived in Cleveland, I frequently attended shows at Playhouse Square or Severance Hall (Home of the Cleveland Orchestra) and just before the house lights dimmed a voice from the heavens came... **PLEASE SILENCE ALL CELL PHONES!** And once the show started you generally didn't hear a peep from the audience, the doors to the auditorium were closed and no one could enter until a break in the concert.*

**YES!** I'm actually talking about the times **before** Mass, **during** Mass between our recited prayers and songs and even **after** Mass concludes...**Sacred Silence...** Generally, folks who come into the Church proper before Mass are coming for some quiet time in private prayer and how do we support that as a community of faith? Of course, SKD is known for its' **awesome hospitality** and we are **most definitely** a welcoming community so it's only natural to greet one another before Mass, but to hold a general conversation in the Church proper might be distracting or even interrupting someone who is in the pew around you trying to offer private and silent prayers to the Almighty.

**#45 in the G.I.R.M.** (*General Instruction of the Roman Missal*) **SILENCE.** "Sacred Silence also, as part of the celebration, is to be observed at the designated times. It's nature, however, depends on the moment when it occurs in the different parts of the celebration. For in the **Penitential Act** and again after the invitation to pray, individuals recollect themselves; whereas after a reading or after the Homily, all meditate briefly on what they have heard; then **after** Communion has been administered to all and the hymn concludes, they praise God in their hearts and pray to Him. Even **before the celebration of Mass** itself, it is a praiseworthy practice for silence to be observed in the church, in the sacristy, in the vesting room and **adjacent areas (narthex)** so that all may dispose themselves to carry out the sacred celebration in a devout and fitting matter."

On weekends, I generally will play some light instrumental music 5-10 minutes before Mass begins to prepare us to begin the celebration. It is a time not only for reflective music, but again, when I introduce a new hymn to the parish I will generally play it for several weeks before actually singing it, thus giving everyone a chance to hear the melody before adding the texts. Obviously, during the Holy days of Easter and Christmas the Music ministry will offer prelude music before Mass to help augment these celebrations, but generally, I don't plan vocal/choral preludes during Ordinary Time as this is folks private prayer time.

As we try to respect those in the Church before Mass in private prayer I think of God speaking to Elijah in a **whisper... 1 Kings 19:11-13:** "Then a great and powerful wind tore the mountains apart and shattered the rocks before the LORD, but the LORD was not in the wind. After the wind there was an earthquake, but the Lord was not in the earthquake. After the earthquake came a fire, but the LORD was not in the fire. And after the fire came a gentle **WHISPER...**" Might that be the voice we use in Church **before** Mass to help foster that Sacred and Reverential Silence?

*John SC Hudak* —Director of Music
