## What is Spiritual Direction?

Spiritual direction is “help given by one Christian to another which enables that person to pay attention to God’s personal communication to him or her, to respond to this personally communicating God, to grow in intimacy with this God, and to live out the consequences of the relationship.” (William A. Barry and William J. Connolly, *The Practice of Spiritual Direction*)

**Spiritual direction focuses on religious experience.** It is concerned with a person’s actual experience of a relationship with God.

**Spiritual direction is about a relationship.** The religious experience is not isolated, nor does it consist of extraordinary events. It is what happens in an ongoing relationship between the person and God. Most often this is a relationship that is experienced in prayer.

**Spiritual direction is a relationship that is going somewhere.** God is leading the person to deeper faith and more generous service. The spiritual director asks not just “what is happening?” but “what is moving forward?”

**The real spiritual director is God.** God touches the human heart directly. The human spiritual director does not “direct” in the sense of giving advice and solving problems. Rather, the director helps a person respond to God’s invitation to a deeper relationship. Learn more by contacting:

# Building & Grounds

## COMMITTEE

Dear SKD Families:

As our faith community continues to grow and our campus ages, I felt it necessary to create a Buildings & Grounds Committee to advise me and the Finance Council on the physical needs of the church buildings and grounds. The general duties of the committee will be to oversee new projects while addressing repairs and minor improvements to the overall church campus and rectory. It is also important for you to be informed of work projects, repairs, and improvements through a quarterly report in the bulletin. I would like to comment on two Buildings & Grounds initiatives:

1. **Maintenance Income and Expense Accounts (MIEA):** These accounts will track the work of all campus projects. Rather than approaching you with a fund drive for each project, repair, or improvements, I am asking for your financial support using the existing Sunday Offertory Envelopes. Each month you have been receiving a **Maintenance Envelope** for the purpose of addressing repairs and improvements. For those who use Online Giving, you will be able to designate your contribution for MIEA. Your contribution to this account will provide overall maintenance for the church campus. For example, many of the parish hall air conditioning units are over 20 years old. The cost to repair or replace them is considerable, as high as \$8,000.00 per unit. **Please note:** If you are able to contribute \$100.00 yearly, that is \$10.00 a month or \$2.00 a week, in addition to your regular Sunday offering, SKD would be able to address the critical work that needs to be completed. As your pastor, I ask for your immediate support.
2. **Volunteers Needed.** Perhaps you have seen some of the work already completed by a few volunteer parishioners. Their work has saved SKD thousands of dollars. With more help from other skilled parishioners with the needed expertise (such as electrical, plumbing, drywall, carpentry, etc.), we can save even more money. If this is you, the Buildings & Grounds Committee is inviting you to consider serving as an SKD "Volunteer Expert." Please consider my request and call the parish office at (239) 283-9501 to put your name on the list.

Thank you for your support of this important step in keeping our church campus in good working condition. A special thank you to current SKD Buildings & Grounds Committee members:
