What is Spiritual Direction?

Spiritual direction is “help given by one Christian to another which enables that person to pay attention to God’s personal communication to him or her, to respond to this personally communicating God, to grow in intimacy with this God, and to live out the consequences of the relationship.” (William A. Barry and William J. Connolly, *The Practice of Spiritual Direction*)

Spiritual direction focuses on religious experience. It is concerned with a person’s actual experience of a relationship with God.

Spiritual direction is about a relationship. The religious experience is not isolated, nor does it consist of extraordinary events. It is what happens in an ongoing relationship between the person and God. Most often this is a relationship that is experienced in prayer.

Spiritual direction is a relationship that is going somewhere. God is leading the person to deeper faith and more generous service. The spiritual director asks not just “what is happening?” but “what is moving forward?”

The real spiritual director is God. God touches the human heart directly. The human spiritual director does not “direct” in the sense of giving advice and solving problems. Rather, the director helps a person respond to God’s invitation to a deeper relationship. Learn more by contacting:

Examining The Issues of the Day ...IN CHURCH?!

Catholic Social Teaching

In the Catholic Tradition, responsible citizenship is a virtue, and participation in political life is a moral obligation. "People in every nation enhance the social dimension of their lives by acting as committed and responsible citizens" (*Evangelii Gaudium*, 220). **The obligation to participate in political life is rooted in our baptismal commitment to follow Jesus Christ and to bear Christian witness in all we do.**

The Church's Role in Matters of State

The Church is non-partisan and would never presume to tell you for whom to vote. However, the Church plays an important role here, which is not only to encourage the faithful to carry out their responsibilities in political life, but to help them to do so. Bishops, aided by priests, deacons, and lay ministry, must share pertinent Catholic Social Teaching and guidance on the moral dimensions of the issues of the day, particularly involving public decisions with real and lasting consequences. **Church Teaching and Mission, such as the defense of human life, the dignity of every human being, and the protection of the weak and vulnerable, must be shared, and advanced.**

Forming Consciences for Faithful Citizenship

The U.S. bishops offer a teaching document to guide Catholics in the exercise of their rights and duties as participants in our democracy, *Forming Consciences for Faithful Citizenship*.

"Some question whether it is appropriate for the Church to play a role in political life. However, the obligation to teach the moral truths that should shape our lives, including our public lives, is central to the mission given to the Church by Jesus Christ.

Indeed, our Church's teaching is in accord with the foundational values that have shaped our nation's history: 'life, liberty, and the pursuit of happiness.'"

- *Forming Consciences for Faithful Citizenship*, which can be found on the USCCB website, usccb.org

From Bishop Frank J. Dewane

The Church's obligation to participate in shaping the moral character of society is a basic part of the mission we have received from Jesus Christ, who offers a vision of life revealed to us in Sacred Scripture and Tradition. As such, standing for, or against, issues that support or undermine Catholic values is a responsibility of all people of faith. This kind of political participation reflects the social teaching of our Church and the best traditions of our nation.

In this election year, it is my hope that you will receive your Parish's guidance regarding the issues of the day with an open heart, and an open mind. When confronted with issues that represent a threat to our shared Catholic values, the Church must not be silent and simply cannot remain on the sidelines.

+ Frank J. Dewane, Bishop of the Diocese of Venice

Pope Francis Prayer Intention for October 2024:

We pray that the Church continue to sustain in all ways a Synodal lifestyle, as a sign of co-responsibility, promoting the participation, the communion and the mission shared among priests, religious and lay people.

DIOCESE OF VENICE IN FLORIDA
OFFICE OF THE BISHOP

October 11, 2024

Dear Brothers and Sisters in Christ,

This year, World Mission Sunday is celebrated on October 20, 2024. This annual, worldwide celebration is an expression of solidarity with missionaries and a means to share Christ's love universally.

Pope Francis, in his message for World Mission Sunday, reflects on the Gospel parable of the Wedding Banquet, where the king tells his servants "Go therefore to the thoroughfares, and invite to the marriage feast as many as you find" (Matthew 22:9-11). The invitation is universal, reflecting God's love for all. It calls on us to assist our Brothers and Sisters in Christ invited to the marriage feast.

This is a time for us to remember our call to be missionaries and to support the vital work of building churches, schools and orphanages, training clergy, and providing essential services in territories where the Gospel has not yet been received, has been only recently embraced, or is courageously upheld in the face of persecution.

In the Diocese of Venice, the World Mission Sunday Collection will take place on the weekend of October 19 & 20, 2024. Let us remember that our participation and generous contributions to this crucial mission ensure the Gospel continues to spread, bringing hope, love, and salvation to those in need.

I take this opportunity is taken to extend to you the assurances of my continued consideration, as well as my prayers.

Sincerely yours in Christ,

 + Frank J. Dewane
