What is Spiritual Direction?

Spiritual direction is “help given by one Christian to another which enables that person to pay attention to God’s personal communication to him or her, to respond to this personally communicating God, to grow in intimacy with this God, and to live out the consequences of the relationship.” (William A. Barry and William J. Connolly, *The Practice of Spiritual Direction*)

Spiritual direction focuses on religious experience. It is concerned with a person’s actual experience of a relationship with God.

Spiritual direction is about a relationship. The religious experience is not isolated, nor does it consist of extraordinary events. It is what happens in an ongoing relationship between the person and God. Most often this is a relationship that is experienced in prayer.

Spiritual direction is a relationship that is going somewhere. God is leading the person to deeper faith and more generous service. The spiritual director asks not just “what is happening?” but “what is moving forward?”

The real spiritual director is God. God touches the human heart directly. The human spiritual director does not “direct” in the sense of giving advice and solving problems. Rather, the director helps a person respond to God’s invitation to a deeper relationship. Learn more by contacting:

SPIRITUAL ADOPTION PROGRAM

MON. 8 BABY "I LIKE TO LISTEN TO MY MOMMY'S VOICE!"

Now your spiritually adopted baby is finished developing and is concentrating on gaining weight; she might be making her mother uncomfortable with her size. She will need a layer of fat to help her stay warm after she leaves the perfect temperature inside her mother's womb. For some weeks now she has recognized her mother's voice. In a short time, her baby will be born. Your baby's mother appreciated the prayers you have said for her and her baby throughout the pregnancy. It has not been easy, but your prayers have given her the grace she needed to bring her baby to term.
